

Minute Challenge: Where Are the College Degrees?

Warm-Up Activity

Source: U.S. Census Bureau, 2005-2009, 2010-2014, and 2015-2019 American Community Surveys, publicly released 5-Year estimates.

Look at the graphic above then answer the following questions:

1. What trends do you see in the data represented in the graphic?
2. Why do you think the northeast region has the highest percentage of the population with bachelor's degrees or higher?

Definition: A bachelor's degree is a four-year college degree.

Extension Idea: Look at a map and choose three states for each region. Then, research the colleges and universities in those states.
